

# Double Decker Supreme

## Gravy Train

Get down on all fours, open your back door  
Don't it feel so goood with a lady and a doood  
Boy get in the center, she'll take off your sweater  
I'll take down your panties, dress you all in leather  
I had a fantasy since I was nine  
'Bout blowin' loads in a butt while loads are blown in mine  
Don't blame me for bein' sick for dick  
Sometimes it's titties that I wanna lick  
I'm such a slut I've tried everything  
I've choked down six dix while eatin' Burger King  
That ain't shit compared to what I've done  
Once jacked off in a hot dog bun  
So I got a idea, little boys listen here  
Me and Hunx on you like cheese on a quesadilla  
We're almost late for a 12:30 luncheon  
It's your ass that we'll be munchin'  
Kidnap your ass like you're Patty Hearst  
Damn my dick is about to burst  
Boy I know that your homework is due  
But me and Chunx hella wanna screw[CHORUS]  
Two cocks one poosy, all three pretty juicy  
More fire in my crotch than Danny Bonadoocy  
Your mama looks like Tina Yothers  
But I'ma eat you up like Sally Struthers  
We'll take turns givin' ya head  
You'll be the baloney in our Wonderbread  
Stick your dick up in my coochie  
I never thought I'd feel so bougie  
I'll shove my nipples into your eyes  
While Hunx hits your ass with a birthday surprise  
I'm hungry, I'm randy and I just can't wait  
I'm fishin' for sluts and usin' Chunx as bait  
Playin' this game me and you together  
Dress him all up like a daddy of leather  
Pass the lube, the lettuce and the sour cream  
It's time for a DOUBLE DECKER SUPREME!!!!Oooh this dick tastes like shit  
LICK THE CLIT! LICK THE CLIT!!!!
