Shines

The Donkeys

Saw you laying on the floor
Blowing smoke out the door
Saw your toes curlin' round
Start in my head makin' soundsYour love shines
Your love shines
Your my brother, we're all the same
Even got the same nameGot no future and no past
Present only thing that lasts
You're my heart keep me beating just like a drum
And I don't want you to change
But nothing ever stays the sameYour love shines
Your love shines
Your love shines
Your love shines (oh ya)
