

Heartbreak Hotel (Hex Hector Club mix)

Whitney Houston

This is the heartbreak hotel
This is the heartbreak hotel
This is the heartbreak hotel
This is the heartbreak hotel
This is the heartbreak hotel
This is the heartbreak hotel
This is the heartbreak hotel
This is the heartbreak hotel

This is the heartbreak hotel You said you'd be here by nine
Instead you took your time
You didn't think to call me boy
Here I sit trying not to cry
Asking myself why

You'd do this to me Since you're not around for me to tell you baby, face to face
I'm writing you this letter, and this is what I have to say: All I really wanted was some of your time
Instead you told me lies
When someone else was on your mind
What you do to me
Look what you did to me
I thought that you were someone who would do me right
Until you played with my emotions and you made me cry
What you do to me

Can't take what you did to me Now I see that you've been doing wrong
You played me all along
And made a fool of me, baby
You got it all wrong to think that I wouldn't find out
That you were cheating on me

How could you do it to me Since you're not around for me to tell you baby, face to face
I'm writing you this letter, and this is what I have to say: All I really wanted was some of your time
Instead you told me lies
When someone else was on your mind
What you do to me
Look what you did to me
I thought that you were someone who would do me right
Until you played with my emotions and you made me cry
What you do to me

Can't take what you did to me Heartbreak hotel
This is the heartbreak hotel
This is the heartbreak hotel
This is the heartbreak hotel

This is the heartbreak hotel
This is the heartbreak hotel
This is the heartbreak hotel
This is the heartbreak hotel All I really wanted was some of your time
Instead you told me lies
When someone else was on your mind
What you do to me
Look what you did to me
I thought that you were someone who would do me right
Until you played with my emotions and you made me cry
What you do to me
Can't take what you did to me All I really wanted was some of your time
Instead you told me lies
When someone else was on your mind
What you do to me
Look what you did to me
I thought that you were someone who would do me right
Until you played with my emotions and you made me cry
What you do to me
Can't take what you did to me I ain't gonna, I ain't gonna take it no more
I ain't gonna take it no more
I ain't gonna take it no more Everything that you said was a lie
Don't lie to me
Tell me what it is and I will be alright
