

# Wish I Was Aaron

## I Voted for Kodos

Advisory - the following lyrics contain explicit language:

Well here we are now, we're playing a show  
Seems like we've got such a long way to go  
'cause we want to be big stars, don't you know  
19 seems so old,  
when I see a little girl that I want to hold  
she's so young, but that's alright  
'cause I still might take her home with me tonight  
and all the kids are jumping up and down  
been so long since I've seen a rude boy in this town  
'cause he traded in his strips for a Hawaiian shirt  
he's got his new Doc Martin's to kick the dirt, well  
I'm not old school (but I still wear my chucks)  
Probably always will ('cause our band really sucks)  
Want to make it big (is that so bad?)  
Want to be Reel Big FishWish I was Aaron, I'd take the stage  
All the little girl's would be amazed  
And the kids would listen to every word I say  
Wish I was Aaron (and I wish I was Scott)Well Reel Big Fish you know they've got it made  
Because they signed with the record company,  
they're going to get paid  
Well they mess up all the lyrics and they've got no style  
I say they're going to get it right but it might take a while  
So, don't touch that dial (I'm talking behind your back)  
Well I love the band, they're a great bunch of guys  
But looking at her brings tears to my eyes  
Said I'm watching her shake,  
she's going to give me a heart attack now, babyWish I was Aaron, I'd take the stage  
All the little girl's would be amazed  
And the kids would listen to every word I say  
Wish I was Aaron (and I wish I was Scott)Promise I'll still sing  
When we get Reel big  
Won't forget our fans

When we're your favorite band  
And I'd do anything that you want me to  
Just give me all you're money, I'll sing for you  
We'd sell out any day  
It's the American way (It was like that when I got here) Wish I was Aaron, I'd take the stage  
All the little girl's would be amazed  
And the kids would listen to every word I say  
Wish I was Aaron ( and I wish I was Scott) I wish I was Aaron, he's wishes he was Scott  
You know we wouldn't drink, and we wouldn't smoke pot  
We'd just play our hearts out every single night  
But if it doesn't happen soon, we're going to give up the fight
