## **Tainted Love**

## The Clash

Sometimes I feel I've got to Run away I've got to Get away

From the pain you drive into the heart of me

The love we share

Seems to go nowhere

And I've lost my light

For I toss and turn I can't sleep at nightOnce I ran to you (I ran)

Now I'll run from you

This tainted love you've given

I give you all a boy could give you

Take my tears and that's not nearly all

Oh...tainted love

Tainted loveNow I know I've got to

Run away I've got to

Get away

You don't really want anymore from me

To make things right

You need someone to hold you tight

And you think love is to pray

But I'm sorry I don't pray that wayOnce I ran to you (I ran)

Now I'll run from you

This tainted love you've given

I give you all a boy could give you

Take my tears and that's not nearly all

Oh...tainted love

Tainted loveDon't touch me please

I cannot stand the way you tease

I love you though you hurt me so

Now I'm gonna pack my things and go

Tainted love, tainted love (x2)

Touch me baby, tainted love (x2)

Tainted love (x3)
