

Down (ft. Molly Reed)

Jason Walker

I don't know where I'm at
I'm standing at the back
And I'm tired of waiting
Waiting here in line,
Hoping that I'll find
What I've been chasing I shot for the sky
I'm stuck on the ground
So why do I try,
I know I'm gonna fall down
I thought I could fly,
So why did I drown?
Never know why
It's coming down, down, down Not ready to let go
'Cause then I'd never know
What I could be missing
But I'm missing way too much
So when do I give up
What I've been wishing for I shot for the sky
I'm stuck on the ground
So why do I try,
I know I'm gonna fall down
I thought I could fly,
So why did I drown?
Never know why
It's coming down, down, down
Oh I am going down, down, down
Can't find another way around
And I don't want to hear the sound,
Of losing what I never found I shot for the sky
I'm stuck on the ground
So why do I try,
I know I'm gonna fall down
I thought I could fly,
So why did I drown?
Never know why
It's coming down, down, down I shot for the sky
I'm stuck on the ground
So why do I try,
I know I'm gonna fall down

I thought I could fly,
So why did I drown?
Oh, it's coming down, down, down
