

# That Old Feeling

[Frank Sinatra](#)

I saw you last night and got that old feeling  
When you came in sight, I got that old feeling  
The moment that you danced by I felt a thrill  
And when you caught my eye my heart stood still  
Once again I seemed to feel that old yearning  
Then I knew the spark of love was still burning  
There'll be no new romance for me, it's foolish to start  
Cause that old feeling is still in my heart  
There'll be no new romance for me, it's foolish to start  
Cause that old feeling is still in my heart
