

# That's How I Go

## Baby Bash

That's how I go  
[This your boy Li'l John]That's how I go  
[and your boy Baby Bash]That's how I go  
[Mario]How I go how I go  
I let the roof drop  
Drippin' candy with super baby  
In my new car  
And I'm glad that she love to have me  
Im like ooh Lord  
From Jamaica to Puerto Rico down to Utah  
From Miami to California they some cool broads  
Haters tell me they can't be mad at my new job  
We be goin' hard in the bank like a hoop star  
Its finger li- lickin' good like a full course  
Give it to ya girl don't have to tell you baby  
You start if you like it you know I love it  
Baby, 2 more  
And the smell of that new Chanel girl, it never fail  
We can fly away or just drive  
Baby, heads or tails?  
And oh yeah, and oh yeah  
Said I met a lot of ladies and I travel the world  
Sometimes I party like crazy showin love to the girls  
Thats how I go, thats how I go girl, thats how I go girl  
I go and go, thats how I go girl, thats how I go girl  
And then my pockets look gravy with plenty to give  
Somebody 'bout to have my baby and the key to my crib  
Thats how I go, thats how I go girl, thats how I go girl  
I go and go, thats how I go girl, thats how I go girl  
I said man girl you think its 5 o'clock traffic on that 101  
Maybe later on tonight me and you can have ourselves a 1 on 1  
I swear I've seen you somewhere else  
Maybe it was on a movie screen  
  
Maybe it was on a television  
Or on the cover of a magazine  
I know and I don't care  
Let me see your underwear  
Let me see how thick you is baby

Let me see whats under there  
Everybody know we go go go go oh so fast when im on my grind  
But I can't lie when I see that ass  
I slow it down and take my time  
Said I met a lot of ladies and I travel the world  
Sometimes I party like crazy showin love to the girls  
Thats how I go, thats how I go girl, thats how I go girl  
I go and go, thats how I go girl, thats how I go girl  
And then my pockets look gravy with plenty to give  
Somebody 'bout to have my baby and the key to my crib  
Thats how I go, thats how I go girl, thats how I go girl  
I go and go, thats how I go girl, thats how I go girl  
Girl I gotta red eye flight, soundcheck, another photo shoot  
Girl I gotta go I gotta do another interview  
Studio tonight have a banger you could listen to  
Baby you ain't even gotta ask  
You know I'm missin' you  
The money keep comin girl, cause we keep goin  
Yeah we go and go and go and go and go and keep goin  
Yeah the money keep comin girl, cause we keep goin  
Yeah we go and go and go and go and go and keep goin  
Said I met a lot of ladies and I travel the world  
Sometimes I party like crazy showin love to the girls  
Thats how I go, thats how I go girl, thats how I go girl  
I go and go, thats how I go girl, thats how I go girl  
And then my pockets look gravy with plenty to give  
Somebody 'bout to have my baby and the key to my crib  
Thats how I go, thats how I go girl, thats how I go girl  
I go and go, thats how I go girl, thats how I go girl  
Thats how we go.
