Throw the Switch

Stuck Mojo

Repeat offender, burn that ass to a cinder.You molester, striking fear and drawing tears.Scars are deep the innocent you had to cheat.
Capital Punishment should be your favorite treat.Dead Man Walking Shaved Head Last Prayer No Remorse4... 3... 2... 1... Throw the Switch!The grim reaper is gonna be your cheerleader.You're on the list of the top ten rapists.
Doing the crime, to hell with the time.
Home invasion you need no persuasion.Dead Man Walking Shaved Head Last Prayer No Remorse4... 3... 2... 1... Throw the Switch!Dead Man Walking Shaved Head Last Prayer No Remorse4... 3... 2... 1... Throw the Switch!
