

# I Will Remember You

[Sarah McLachlan](#)

I will remember you  
Will you remember me?  
Don't let your life pass you by  
Weep not for the memories I'm so tired but I can't sleep  
Standin' on the edge of something much too deep  
It's funny how we feel so much but we cannot say a word  
Though we are screaming inside oh  
We can't be heard I will remember you  
Will you remember me?  
Don't let your life pass you by  
Weep not for the memories I'm so afraid to love you, but more afraid to lose  
Clinging to a past that doesn't let me choose  
But once there was a darkness, deep and endless night  
You gave me everything you had, oh you gave me light And I will remember you  
Will you remember me?  
Don't let your life pass you by  
Weep not for the memories I will remember you  
Will you remember me?  
Don't let your life pass you by  
Weep not for the memories
