Ready

Mao Ra Sun

I don't know where you've come from
But I know that you are what I need
And I don't know how we've become
Lost when you were all I see
I was so complete
But you take from me
Put my mind at ease
Tell me what you needTell me what can I take from you?
Because I cannot get enough
Is it me that you're thinking of?
Is it me you wanna love?
Tell me what can I take from it
If you haven't said your part
It's been 2 weeks and nothing is
Since the day we fell apartAre you READY? Are you READY?
Are you READY? Are you READY?
Here I come, here I comeI heard you said you felt on
That I don't deserve your sympathy
But how can I just move on?
In time I hope I'll make you see
We were so happy
Thought you'll never leave
Can we try at least
Can I take the leave?Tell me what can I take from you?
Because I cannot get enough
Is it me that you're thinking of?
Is it me you wanna love?
Tell me what can I take from it
If you haven't said your part
It's been 2 weeks and nothing is
Since the day we fell apartHolding you so close to me
Feeling like it's meant to be
Don't know what we had
Until it fell apart
Building up inside of me
Gonna try and make you see
I won't wait forever
To regain your love
To regain your love

To regain your love
To regain your love(x2)
Are you READY? Are you READY?
Are you READY? Are you READY?
Here I come, here I come
