

A Tout Le Monde (Bonus Demo)

Megadeth

Don't remember where I was
I realized life was a game
The more seriously I took things
The harder the rules became
I had no idea what it'd cost
My life passed before my eyes
I found out how little I accomplished
All my plans denied So as you read this know my friends
I'd love to stay with you all
Please smile when you think of me
My body's gone that's all
A tout le monde (To all the world)
A tous mes amis (To all my friends)
Je vous aime (I love you)
Je dois partir (I have to leave)
These are the last words
I'll ever speak
And they'll set me free If my heart was still alive
I know it would surely break
And my memories left with you
There's nothing more to say Moving on is a simple thing
What it leaves behind is hard
You know the sleeping feel no more pain
And the living are scarred
A tout le monde (To all the world)
A tous mes amis (To all my friends)
Je vous aime (I love you)
Je dois partir (I have to leave)
These are the last words
I'll ever speak
And they'll set me free So as you read this know my friends
I'd love to stay with you all
Please, smile, smile when you think about me
My body's gone that's all A tout le monde
A tous mes amis
Je vous aime
Je dois partir
These are the last words
I'll ever speak

And they'll set me free

A tout le monde

A tous mes amis

Je vous aime

Je dois partir

These are the last words

I'll ever speak

And they'll set me free
