The Solid Rock

Hymnscapes

My hope is built on nothing less
Than Jesus blood and righteousness
I dare not trust the sweetest frame
But wholly lean on Jesus nameOn Christ the solid rock I stand
All other ground is sinking sand
All other ground is sinking sandWhen darkness seems to hide His face
I rest on His unchanging grace
In every high and stormy gale
My anchor holds within the veilOn Christ the solid rock I stand
All other ground is sinking sand
All other ground is sinking sandHis oath, His covenant, His blood
Support me in the whelming flood
When all around my soul gives way
He then is all my hope and stayOn Christ the solid rock I stand
All other ground is sinking sand
All other ground is sinking sandWhen He shall come with trumpet sound
O may I then in Him be found
Dressed in His righteousness alone
Faultless to stand before the throneOn Christ the solid rock I stand
All other ground is sinking sand
All other ground is sinking sandOn Christ the solid rock I stand
All other ground is sinking sand
All other ground is sinking sand
