

# Say It

## Enrique Iglesias

Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh, ooh, ooh, yeah  
Don't tell me  
If you're leaving in the mornin'  
I don't wanna have a warnin'  
If you're not here  
Just take me  
Please take me for the last time  
'Coz baby now is not the right time  
For us to be scared  
Yes I know I wasn't perfect when we fought and cried all those nights  
But the passion that we have is too strong, to give up the fight  
So I need you to say it  
If you really want to let me go  
'Coz I don't believe you know I don't  
Won't you tell me the truth?  
Yes I need you to say it  
If you really want this love to end  
Look me in the eye and don't pretend  
That what we have is through  
Don't tell me  
If there is someone else inside you  
Doing all the things that I do  
'Coz I don't want to hear  
Just take me  
Don't want to feel no more resistance  
No we don't have to go the distance  
'Coz we're already there  
Yes I know I wasn't perfect when I ran and lied all those times  
But the passion that we have is too strong, to give up the fight  
So I need you to say it  
If you really want to let me go  
'Coz I don't believe you know I don't  
Won't you tell me the truth?  
Yes I need you to say it  
If you really want this love to end  
Look me in the eye, you can't pretend  
That what we have is through  
All those times we fought  
I made you cry, I'm sorry  
So I need you to say it  
If you really want to let me go  
'Coz I don't believe you know I don't  
Won't you tell me the truth?  
Yes I need you to say it  
If you really want this love to end  
Look me in the eye, you can't pretend  
That what we have is through  
So I need you to say it  
If you really want to let me go  
'Coz I don't believe you know I don't  
Won't you tell me the truth?  
Yes I need you to say it  
If you really want this love to end

Look me in the eye, you can't pretend  
That what we have is through Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh, ooh, ooh, ooh, yeah  
Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh, ooh, ooh, ooh
