

# That Certain Smile

Midge Ure

Cross your heart and hope to die it's love.  
A perfect world in my mind's eye and oh The face that's watching me tonight - has me -  
Falling for that certain smile. Hold your hand up  
swear to God  
it's love.  
Help me to believe  
because for all  
The words you said to me tonight - has me -  
Falling for that certain smile -  
Falling for that certain smile. Take my tears and smile for me  
it's love.  
Take my soul  
my heart  
my fears for oh The way you're touching me tonight - has me -  
Falling for that certain smile. Bring me passion  
bring me lust or love.  
Bring me only truth  
because for all  
The times you said to me tonight - have me -  
Falling for that certain smile -  
Falling for that certain smile -  
Falling for that certain smile -
