

Gone

Dannii Minogue

Go-oh-oh-oh-oh-oh-one, I'm Go-oh-oh-oh-oh-oh-one
Baby,
I can't leave, I can't go
When you're looking at me and I know what you want
When I see, what you've got
And you leave me begging for bones for a like dog
[chorus 1] I feel you thump it on my drum
Don't ever leave me hanging on
Cos it's feeling so right on the wrong side of love
[chorus 2] Come and fill me up till I can't take it anymore
I'm Go-oh-oh-oh-oh-oh-one
When I scream your name
You're giving me the sweetest pain
I'm go-oh-oh-oh-oh-oh-one, I'm Go-oh-oh-oh-oh-oh-one
On your love, on your love
Baby...
Baby...
When I need, something raw
Gonna take it and twist it, we're breakin' the law
Spill it out, run it off
When you're feeding me honey, I don't want to stop
[chorus 1]
I feel you thump it on my drum
Don't ever leave me hanging on
Cos it's feeling so right on the wrong side of love
[chorus 2] Come and fill me up till I can't take it anymore
I'm Go-oh-oh-oh-oh-oh-one
When I scream your name
You're giving me the sweetest pain
I'm go-oh-oh-oh-oh-oh-one, I'm Go-oh-oh-oh-oh-oh-one
On your love, on your love
I can't tell you where I'm going
Fill me till i'm overflowing
Spill it out and make me moan
Fill me till i'm overflowing
Oh Baby, oh baby...
[chorus 2] Come and fill me up till I can't take it anymore
I'm Go-oh-oh-oh-oh-oh-one
When I scream your name

You're giving me the sweetest pain
I'm go-oh-oh-oh-oh-oh-one, I'm Go-oh-oh-oh-oh-oh-one
On your love, on your love
Baby, on your love
Baby, on your love
Baby, on your love
