

# Why Do You Love Me

## The Reliques

You say Iâ€™m beautiful  
Despite what I might see in me (in me)  
Deserving I am not of  
This costly gift you place on me  
This gift of grace

They say heâ€™s a fool  
Who throws his pearls to the swine  
And I trade my silver and gold  
For these silly pleasures of mine

Oh, here I go again  
Iâ€™ve been here a time or two  
Nothing new

Why do you love me?  
Why do you love me? Why do you even care? (2x)

Running with wounded feet  
I stumble and fall again  
Itâ€™s the same old say  
But I am unpenalized  
You say â€œMy dearâ€• and I  
Iâ€™ll show you how

You say that the weak  
Are made strong by your might  
So I release my grip  
Iâ€™m tired of this fight

Oh, here I go again  
Iâ€™m tightening up my hand  
I donâ€™t understand

Why do you love me?  
Why do you love me? Why do you even care? (4x)

Oh, here I go again  
Iâ€™m tightening up my hand  
I donâ€™t understand

Why do you love me?  
Why do you love me? Why do you even care? (2x)  
Why do you love me?  
What is it that you see? Why do you even care?

Because Iâ€™m broken  
And Iâ€™m jaded  
Almost beyond repair  
Yeah, Iâ€™m Broken  
And Iâ€™m jaded  
Almost beyond repair
