Relax

Us5

Attention please
[Jay:]Everybody listen up
US5 are back again
just you get competition
no need for second hand
Ohh you thought you never see my face again
stop and only hating us you know I'm a man
[Chris:]lets bring it to the point
everybody is waiting now
I've got a little something
Jay Kahn just let it out
Damn you got me shaking like your tamburin
come on pretty mama wanna make you scream
[Chorus:]Relax release Baby get on the floor
we're under pressure
and we want it more
release me girl
cause you're so fine
let's get together
are you ready now
Relax oh do what you want girl ah just do what you want
Relax oh do what you want girl ah just do what you want
[Richie:]Everybody listen up
now we're back again
They try to pull us down
but we're so in demand

[Izzy:]Don't try to crap our style
This we can celebrate
we've got that funky sound
that dangers, can't escape
Damn we got you shaking like a tamburin
come on pretty mama wanna make you scream
[Chorus:]Relax release Baby get on the floor
we're under pressure
and we want it more
release me girl
cause you're so fine
let's get together

are you ready now
[Jay (rap):]Don't stop listen to the beat (beat) when I come (come)
cause I like to play
All the Boys (Boys) just in the club (club) checking up my
stead cause they want my fame
[Girl:]Uh Boy when you walking in the club (club)
give a little hug cause i like your game
So don't stop moving to the beat (beat)
when I come in club cause i like to Play
[Chorus 2x:]Relax release Baby get on the floor
we're under pressure
and we want it more
release me girl
cause you're so fine
Let's get together
are you ready now
Relax
