Army (feat. Omarion)

Sultan & Ned Shepard & NERVO

If you want to fight
Let me be your bodyguard tonight
Ready for war
It's one for all
I'll be your army babyIf you wannna win
There is no way I will give in
Ready for war
It's one for all
I'll be your armyI'll be your, I'll be your, I'll be your
I'll I'll I'll be your I'll be your armyHere we are in the dark
Wondering who we are
Giving love and giving out
Discovering what's in our heart
So don't push too far
Don't run away
Cause I don't give my heart
You got to give me something babe
