Live from the Hurst, I just respond with Queens, if they ask where I'm from yo,
I weighed my options, yo I stayed in school, now look mama I'm dumb broke, I've been grinding for minute,

Whole crew know i got em and we starting from the bottom so the only place to go is up
Hard head swear I know enough,

We gone go ham till you notice us,

Don't wanna sign with a label, they crooked like the NCAA,
I could go Kris Jenkins all on the track, and just like him I may still not get paid,
Got dam!! why they so sleazy,
Who lit in Queens? My city need me,
put on for my city MR young jeezy
I got no filter like yeezy, hannnnLive from the Hurst, I just respond with Queens, if they ask where I'm from yo,
I weighed my options, yo I stayed in school, now look mama I'm dumb broke,
But i ain't tripping cause i could see the money come with a blind fold,
Ill bring my city a ring ya gone witness I feel like Lebron yofelt like the man till my light skin chick she started
curving me yooooo ...
.....She made me number 2 so im finna Kyrie Irving that ho
banana split and deserted me yo, fuck it i'll just get a ring for myself,
Thank you cause i needed the motivation, to strive for greatness and bring in the wealth, hey
I'm in a league of my own, no i do not fuck with recording rookies,
Still curious bout my future, hit my asian chick and crack open her fortune cookie,
Damn, hope that ain't racist,
They still move white in my city, no gentrification
Never been tellin', mind my own business,
if it ain't, Lebron, I ain't a witness
