

# In Between Days

**Ben Folds**

Yesterday I got so old  
I felt like I could die  
Yesterday I got so old  
It made me wanna cry  
So go on, go on, just walk away  
Go on, go on, your choice is made  
Go on, go on, and disappear  
Go on, go on, away from here  
And I know I was wrong  
When I said it was true  
That it couldn't be me and be her  
In between without you, without you  
Yesterday I got so scared  
I shivered like a child  
Yesterday away from you  
It thrills me deep inside  
Well, come back, come back  
No other way  
Come back, come back  
I'm back today  
Come back, come back  
Well, can't you see?  
Come back, come back  
Come back to me  
And I know I was wrong  
When I said it was true  
That it couldn't be me and be her  
In between, without you, without you  
Go on, go on  
Go on, go on  
Without you  
(Go on)  
Without you  
(Go on)
