

# Half a Boy and Half a Man

**Nick Lowe & Los Straitjackets**

You'd better run  
you'd better hide You'd better lock you house and keep the kids inside.

Here come the twentieth century's latest scam  
he's a half a boy and half a ma)

He ain't a fool but he's a tool Because his left don't know what his right hand's doin'.  
He'd keep a King Kong eating out of the palm of his hand Now he's a half a boy and half a man. Or else the  
S.P.G. 's gonna clear the streets.

They never made no provision in the original plan for half a boy and half a man  
Oh

when his fingers do the walking in the middle of the night.

When his people stalk in  
baby

let me tell you  
nothing comes out right.

Best be fleet up on your feet

...

Oh

when his fingers do the walking in the middle of the night

...

You'd better run  
you'd better hide

...

He's a half a boy and half a man  
he's a half a boy and half a man

He's a half a boy and half a man - come on.
