I Stab People

Insane Clown Posse

I, I'd like to uh, if it's cool with Jake and Jack
I'd like to address the juggalos
On a, uh, personal matter because, it's not all good
I mean, things aren't always done cool, you know I mean
I just wanna talk to you guys about a problem I got
Maybe you can help meI stab people, 4 or 5 people every day
I tried to see a shrink to stop that shit
But there ain't no fuckin' way
I stabbed 'em, this nurse and his fuckin' cat
Stabbed 'em, stabbed 'em all like thatI stab people I know, I stabbed Alex my manager
He was like "What tha fuck", I stabbed 'em in the gut
I order food just to stab the guy when he gets there
I don't care, I stab anybody, anywereI stabbed the mailman he was pissed, he tried to mase me
I'm too quick with the stab, come on come on chase me
I stabbed Twiztid, Jamie Madrox, I stabbed 'em
