

# Familiar Fire

## Yodelice

Familiar Fire  
Blazing the ashes of my pain  
Feelings unwired  
My frozen blood runs free again Oh oh oh...  
I'm falling in love again  
Oh oh oh...  
I'm falling in love again Lasting desire  
Bursting down from deep within  
Electric fire  
Unquenchable-ness for your skin Oh oh oh...  
I'm falling in love again  
Oh oh oh...  
I'm falling in love again Time is a liar  
Just when I thought I'd walk away  
Love is riding high  
My feelings shifted their own way Oh oh oh...  
I'm falling in love again  
Oh oh oh...  
I'm falling in love again Time is a liar  
Just when I thought I'd walk away  
Love is riding high  
My feelings shifted their own way Is it forever  
Is it the truce before our death  
Once in my fever  
I think of you holding my breath Oh oh oh...  
I'm falling in love again  
Oh oh oh...  
I'm falling in love again Time is a liar  
Just when I thought I'd walk away  
Love is riding high  
My feelings shifted their own way Oh oh oh...  
I'm falling in love again  
Oh oh oh...  
I'm falling in love again
