Not Big

Lily Allen

Now listen, I think you and me
Have come to the end of our time
What dya want, some kind of reaction?
Well okay, that's fineAlright how would it make you feel
If I said you never made me come?
In the year and a half that we spent together
Yeah, I never really had much funAll those times that I said I was sober
Well I'm afraid I lied
I'd be lying next to you and you next to me
All the while I was high as a kiteI could see it in your face as you break it to me gently
Well you really must think you're great
Well let's see how you feel in a couple of weeks
When I work my way through your matesI never wanted it to end up this way
You've only got yourself to blame
I'm gonna tell the world youre rubbish in bed now
And that youre small in the gameI saw you thought this was gonna be easy
Well youre out of luck
Yeah, lets rewind, let's turn back time
To when you couldn't get it upYou know what? I shoulda ended it there
That's when I shoulda shown you the door
As if that weren't enough to deal with
You became prematureI'm sorry if you feel that I'm being kinda mental
But you left me in such a state
Now I'm gonna do to you what you did to me
Gonna reciprocateI never wanted it to end up this way
You've only got yourself to blame
I'm gonna tell the world youre rubbish in bed now
And that youre small in the gameYoure not big, youre not clever
No, you aint ya big brother, not big whatsoever
Youre not big, youre not clever
No, you're not ya big brother, not big whatsoeverI'm sorry if you feel that I'm being kinda mental
But you left me in such a state
But now I'm gonna do to you what you did to me
Gonna reciprocateI never wanted it to end up this way
You've only got yourself to blame
I'm gonna tell the world youre rubbish in bed now
And that youre small in the gameYoure not big, youre not clever
No, you aint ya big brother, not big whatsoever
Youre not big, youre not clever

Not big whatsoever, no you ain't ya big brotherYoure not big, youre not clever
Not big whatsoever, no you ain't ya big brother
Youre not big, youre not clever
Not big whatsoever, no you ain't ya big brother
