

Around the Bend

Randy Travis

Just round the bend
No body knows
Still that's where
Everybody wants to go Might be a mile,
Right up ahead
All i really know is that I'm not there yet When I was a child,
I thought like a child
I had no fear
Of all things wild Crawl turned to a walk walk
Turned to a run run
Turned to a leap here in the wind
Taking that one step forward around the bend
Here I go [Chorus]
I don't know what waits
But I am not afraid
I'll just make own sweet way
Around the bend See I've been longed
And I've been loved
I've turned the other cheek
I've taken off the gloves I still got the fight,
Still go the fever
Got the hunger,
Got the thirst
I just keep on searching for better or worse
Here I go [Chorus] One day I wake
On a distant shore
My soul some place
It's never been before [Chorus] Here I go
