

Tell Her (you Love Her Each Day)

Frank Sinatra

(Tell her you love her)

Each day

You'll make her happy that way

A simple 'I love you' means more than money

And with a kiss or two her life is sunny Give her a reason to live

She needs the love that you give

Always remember that is what she lives for

She hopes you love her, tell her you love her

Tell her you love her today (Give her a reason to live)

(She needs the love that you give)

Always remember that is what she lives for

She hopes you love her, tell her you love her

Tell her you love her today
