Where I Am

Anja Nissen

Laying down my armour
Laying down my guardYou're lost in my game
Your love is repeating
Always around
You're never holding me down
I know who you are
True colors are showing
Though my heart's bare
l'll show you care
Putting up my walls so I'll last better
Dunno why I do it because we're together
Always holding back from you
It's hard my mind
Tonight I'm gonna try for you real hard
To show you all the love I've held inside
Show you all the love I've held inside
Let's do it right
Tonight I'm gonna show you
Show you what you've done
I'm laying down my armour
Laying down my guard
Tonight I'm gonna hold you
Closer than before
So you know where I am
so you know where I amI've known it's not right
just couldn't reveal it
Always closing up tight
And never releasing
I've prayed and i've feared to love
But you never let me go
I've held it in my heart
And now I'm letting you go
Tonight I'm gonna show you
Show you what you've done
I'm laying down my armour
Laying down my guard
Tonight I'm gonna hold you
Closer than before
So you know where I am

so you know where I amPutting up my walls so I'll last better
I dunno why I do it because we're together
Tonight I'm gonna try for you real hard
To show you all the love I've held inside
Show you all the love I've held inside
Let's do it rightTonight I'm gonna show you
Show you what you've done
I'm laying down my armour
Laying down my guard
Tonight I'm gonna hold you
Closer than before
So you know where I am
so you know where I am
so you know where I am
so you know where I am, so you know where I am
so you know where I am
so you know where I am, so you know where I am
