

Lost In Love With You

Leon Ware

Lost in Love
Leon Ware I said I'd never fall in love with you
You were a dream I'd never let, come true
I seen your tears each time I passed you by
Until I seen you with another guy Now I'm, lost in love with you, I
Don't know what to do, I
Let you slip away
You know your lost in love when
You take for granted heaven
Could our romance be through when
I'm lost in love with you
I see his car when I pass by your place
I want the lips that only he will taste
I guess my love was burnin deep inside
If your supposed to trust your heart, then tell me why mine lie Now I'm, lost in love with you, I
Don't know what to do, I
Let you slip away
You know your lost in love when
You take for granted heaven
Could our romance be through when
I'm lost in love with you Well you were just a lover
It could have been all in my mind
No, it's not my imagination
Girl I love you all the time
Now I'm, lost in love with you, I
Don't know what to do, I
Let you slip away
You know your lost in love when
You take for granted heaven
Could our romance be through when
I'm lost in love with you You know your lost in love when
You take for granted heaven
Could our romance be through when
I'm lost in love with you You know your lost in love when
You take for granted heaven
Could our romance be through when
I'm lost in love with you
