

If I Only Knew Your Name

[Jamie Harrison](#)

Verse 1 This golden throne, I've made it all for you,
I've built a home, for all the things you do,
These broken bones,
From trying too hard. Verse 2 I used my head, It threw me in the dark,
A single bed, to help me hear my heart,
And I'd be dead,
If I wasn't searching for you. Prechorus And we'd dance on stars,
Drive in vintage cars,
We'd scrape our names in the trees, Don't know who you are,
If you're near or far,
If you'd be waiting for me. Chorus But that won't stop me from Dreaming,
I've been feeling,
You're the queen I'm caught in your chains.
I'd be screaming, if I only knew your name Verse 3 The sun could fall, This world could break in two,
A distant call, a tiny light for you,
You've built your walls,
But when you see me I'll climb them. Bridge If I only, If I only knew your name
If I only, If I only knew your name Pre-Chorus Chorus I'd be screaming, if I only knew your name
