

Life of the Party

All Time Low

All these people are passed out on the floor in my hotel room
I don't know half of them, but they all wanna know me
And it's four in the morning, I'm just trying to fix myself
What the hell did I do? I'm the life of the party
I'm the life of the party Somewhere in between who I used to be
And who I'll be tomorrow when the champagne blows my mind
Thrills don't come for free, the price you pay for dreams
In a sea of strangers, I can't find me anymore, anymore
I can't find me anymore I keep thinking about you, how you level me out sometimes
When I'm out on my head, and I don't wanna face it
You said it's all for a reason, what the fuck is the reason now?
Coming down, bring me back, I'm the life of the party
I'm the life of the party Somewhere in between who I used to be
And who I'll be tomorrow when the champagne blows my mind
Thrills don't come for free, the price you pay for dreams
In a sea of strangers, I can't find me anymore (anymore)
I can't find me anymore (anymore) I can't find me anymore Now it's four in the morning and I'm trying to fix
myself
What the hell did I do? I'm the life of the party
It's so hard to imagine who I'd be if i walked away
Never know what it's like to be the life of the party
I'm the life of the party
I'm the life of the party Somewhere in between who I used to be
And who I'll be tomorrow when the champagne blows my mind
Thrills don't come for free, the price you pay for dreams
In a sea of strangers, I can't find me anymore (anymore)
I can't find me anymore (anymore) (There's a sea of strangers) I can't find me anymore
