L.O.V.E.

Head

Joe B Christina
We're gonna take ya to the 80's
I'ma hold you down though
Look, you tired of the same old
Chit-chat, lame sto's
Mami's frame loc' make dudes chain smoke
We can do thangs slow as if you ain't know
All real them other dudes ain't Joe
They'll put you in canaries temporarily
But you know they can't compare to me
Can't come close pop cham', one toast
'Til I'm on my knees with ya hand up froze
Now why you acting like you can't come close, ma?
Things about to change
I won't just give my heart away
'Coz when I do it's gonna be forever
You're blowin' my mind
So this might be the last time
I fall in L O V E forever
I don't need love
If love is gonna hurt me
No need for trust
If trust just keeps me cryin'
I think you can see
You can see that I love playin'
I'm not the way I used to be
Understand just what I'm saying
Things about to change
I won't just give my heart away
'Coz when I do it's gonna be forever
You're blowin' my mind
So this might be the last time
I fall in L O V E forever
I've come a long way
You can say I've learned some lessons
To never wear my heart up on my sleeve
And always keep 'em guessin'
But it's hard not be naive
'Coz you're saying all the right things

And I won't fall for words
So this time you gotta show me
Things about to change
I won't just give my heart away
'Coz when I do it's gonna be forever
You're blowin' my mind
So this might be the last time
I fall in L O V E forever
Things about to change
I won't just give my heart away
'Coz when I do it's gonna be forever
You're blowin' my mind
So this might be the last time
I fall in L O V E forever
Understand that I
I don't know what to do
It's happening again
I get that old feelin' again
But before I give in
Understand me, now we both grown both done with the practice round
Watch me prove to be different from your average clown
It's safe, go ahead baby put the baggage down
I ain't tryin' to bend you over, just tryin' to win you over
Take out, chin-chin' on the sofa
Relax a little maybe then get closer
Feel like I feel, relate to Joe beasy
You make being in L O V E so easy
Pushin' me up some like fargo easy
Ma, don't believe me trust and come see about it
We one the same page babygirl, we about it
Enough with the talk game boo, let me be about it
Things about to change
I won't just give my heart away
'Coz when I do it's gonna be forever
You're blowin' my mind
So this might be the last time
I fall in L O V E forever
Things about to change
I won't just give my heart away
'Coz when I do it's gonna be forever
You're blowin' my mind
So this might be the last time
I fall in L O V E forever
You're blowin' my mind so this might be
L O V E forever

You're blowin' my mind so this might be
L O V E forever
