## You Could Have Been With Me

## **Sheena Easton**

You're the seventh son of the seventh son

Maybe that's why you're such a strange and special one

You can't even seem to love yourself

And with a few exceptions, not anybody else

You can lead a horse to water, but you cannot make him drink You can give a man your whole heart and soul, but you cannot make him think

## Chorus:

You could have been with me instead of alone and lonely

You can tell him the day of departure, exactly the place and the time

He might really wanna be there, but he misses every time

Is he a man or a paper tiger

When you need him will he run or stand beside you

chorus repeats 2x

chorus repeats out
