Horny Toad

Prince

Yeah!If I had your number I'd call you on the phone
I'd breathe real heavy, if that didn't work
Maybe I'd start to groan
I don't love you, I'm just a horny toadI don't want your money 'cause I got all I need
All I want is to rub your body
Until you start to bleed
I don't love you I'm just a horny toadIf I had your address I'd come right to your door
I'd knock all day till you let me in
And then I'd knock some more
I ain't crazy I'm just a horny toadIf you think I'm nasty, you ain't seen nothin' yet
You see, I'm the kinda brother that the more you scream
The nastier I get
I can't help it I'm just a horny toadNow watch me danceRun, go tell your boyfriend his lovin' has got too old
He might as well pack his things
And get his dead ass on the road
Tell him you live on a lily pad with a horny toad, yeah
