

Love Fool (feat. Tanika Charles)

Slakah the Beatchild

You might think by now my heart would be heartache
After all that dull my edge would be sharpened
It's so dull with out you baby
Can I show you?
Let me show you
Now do you remember about them things that I told ya?
Because I cant forget the way that I'd hold you
Baby you got that true contact if you walk back baby ooBaby no matter what I do
There ain't no getting over you
Don't know why I'm love with you
Maybe I'm just a love fool
Now could it be you fell and bumped your head child?
Got drunk one night turned right and not left now?
Did you lose your foot and find her bed now?
Boy tell me, can you tell me?
'Cause I'm sinking beneath this wave
Can't stop only you can save me
Please jump back in
Boy I'm shaking
This is crazy
Baby no matter what I do
There ain't no getting over you
Don't know why I'm love with you
Maybe I'm just a love fool
