## Justice

Lovers need no reason  
Lovers need no season  
It's a game of give and nothing more  
Lovers need no reason  
Lovers need no season  
The golden key that opens any door  
Lovers need no reason  
Lovers need no season  
It's a game of give and nothing more  
Lovers need no reason  
Lovers need no season  
The golden key that opens any doorLovers need no reason  
Lovers need no season  
It's a game of give and nothing more  
Lovers need no reason  
Lovers need no season  
The golden key that opens any door  
Lovers need no reason  
Lovers need no season  
It's a game of give and nothing more  
Lovers need no reason  
Lovers need no season  
The golden key that opens any doorIt sets the world on fire  
Fire  
It sets the world on fire  
Fire  
Feeling the fever taking over(Lovers need no reason)Lovers need no reason  
Lovers need no season  
It's a game of give and nothing more  
Lovers need no reason  
Lovers need no season  
The golden key that opens any doorIt sets the world on fire  
Fire
