## **Part Time Love**

## Sarah Connor

I need somebody Who's consistent with me Someone already there When I need company Cuz when I'm feelin' low I don't wanna have to go out lookin' For a part time kinda loveAnd when the dreams and rainbows start to disappear I don't want somebody up and runnin' out of here And when you stop and start Baby it's a just too hard upon my heart That part time kind of loveI can't take it darling Livin' here and wait'n see I want somebody who's committed now to me Somewhere, somewhere Someday, someday you've got to take a chance If you like the music baby Get up and danceIf we go together daring to dream I know we're gonna find our share of peaches and cream And when the juices flow I don't want to know no no excuses Just want your full time love for me I can't take it darling Livin' here and wait'n see I want somebody who's committed now to me Just me, yeah, yeah Somewhere, somewhere Someday, someday you've got to take a chance If you like the music baby Get up and danceIf we go together daring to dream I know we're gonna find our share of peaches and cream And when the juices flow I don't want to know no no excuses Just want your full time love for meJust want your full time love for me Your full time love for me
