No Pressure

Texuz Game

Chrous
No pressure,
This shit look good don't it? (It do)
So you want that life (oh word?)
but they don't really want it, (bow)
but they don't really want it, (skurt)
but they don't really want it (yea!)
but they don't really want it (whoop)
but they don't really want it

Verse I
Want boss shit,
Actin like they never took a loss shit,
Gettin money nail it to cross shit,
Cuz Imma put in work up on my cross fit,
Don't floss lent,
Just pause quick,
Niggas in da game just to sneak diss,
Money is the motive and a weak ness,
Hand me the controller Imma beat dis,
Imma peep this,
no defense,
Put me in a room on some creep shit,
Moving like an army on my fleet shit,
Go back five lines den repeat this,
Can't beat this,
so Imma switch it up,
while y'all stuck in bad luck, I'm walking with no crutch and my flaws I nip tuck,
Give no fucks,
Sip star bucks,
My satchel enormous,
I speak clear n warn us,
But y'all love da short bus,

Ah,

Fuck it (bitch) Fuck it,
Finger in the air you can suck it (bitch) suck it,
Top beware cuz I'm comin (right) fa it,

Tex I'm there, push a flare, to the summit

Verse II
Watch em, watch em,
But you ain't tryna see me,
Spaz on the beat just king me,
I'm gonna feast this evenin,
Gobble up beats I'm feenin (feenin),
Feenin (feenin), I'm feenin (feenin),

Came here to eat I mean it,
Vamp in the night no sleeping,
Bleed on the Mic I'm leakin,

And I don't fuck with these heathens,
a1 is all that I'm keepin,
For some this hard to keep peepin,
No bums my quality meetin,
My takeover this season,

Rap makeover I'm bringing,
Don't pop mollies no tweaking,
No tweaking, no tweaking,

Whoop,
I'm just gettin dis started,
Can smell a hit like i farted,
My Lyrics always on target,
On beats I'm going retarded,
Retarded, retarded,
On beats I'm going retarded,
Dat top spot my target,

Chrous
