

# Alpha Female (Original Mix)

**Dot Allison**

She's lost  
Words mean nothing  
She's lostShe's lost  
Words mean nothing  
She's lostShe didn't want to conquer you  
Another misconception  
It tasted strange  
She can't explain  
But it's all forgotten nowHer fingerprints  
Are on your hands  
That's all she's left for you  
You just untangled all her words  
They're inexpensive nowShe's lost  
Words mean nothing  
She's lostShe's lost  
Words mean nothing  
She's lostYou walked the world  
It's almost over now  
Your satellite escape each dayYou've got an alpha female muse  
A little introspection  
She isn't there to be misused  
The shallowest reflectionShe's lost  
Words mean nothing  
She's lostShe's lost  
Words mean nothing  
She's lostShe's lost  
Words mean nothing  
She's lostShe's lost  
Words mean nothing  
She's lost
