Dance In the Street

Gene Vincent

Well, we're gonna dance in the street tonight
Well now dance in the street tonight
We're gonna dance to the beat to the heart of the sweet
We're gonna dance in the street tonight
Well, we're gonna find a street that's-a hard to use
Cars in a circle and I'll kick off my shoes
Turn on the radio and leave on the light
I'll grab a little chick and we'll dance all night
We're gonna dance in the street tonight
A-dance in the street tonight
Well now dance to the beat to the heart of the sweet
We're gonna dance in the street tonight (Well yeah)
Well, we're gonna do the chicken, a-gonna do the bop
A-gonna do the stroll and we're gonna do the hop
A-then while we're dancin', tell ya what I'm gonna do
Every now and then I'm gonna steal a kiss from you
And we'll dance in the street tonight
Well now dance in the street tonight
Well now dance in the street to the heart of the sweet
We're gonna dance in the street tonight (Well, Yeah)
Well, we're gonna dance in the street, hoo-woo-woo
We're gonna dance in the street, hoo-woo-woo
We're gonna dance in the street, oh honey
Gonna dance in the street, ah ha
Gonna dance in the street to the heart of the sweet
We're gonna dance in the street tonight
Well now, dance in the street tonight
Gonna dance in the street tonight
Wooo, dance in the street, ah ha
A-dance in the street, ooh ho
A-dance in the street to the heart of the sweet
We're gonna dance in the street tonight
