# Holding out for Love

## Daryl Hall

Why does that restless part of me always see
Did i know love wouid show
And i'd find the passion i need
Look up ahead
All i see are worlds apart
Broken hearts
Looking for something more
Some magic they might feelChorus:
That's why l hold on
Holding out for love
There's only one i'm dreaming of
That's why l hold on
Hoiding out for love
But will that one heart wait for me
You know we take those twists and turns
Never learn
Goin on
Takes so long to find all the passion we need
Look what we have
Don't wanna be two worlds apart
Loving hearts stay live
Strong survive
Just matters what we both feelChorus:
That's why l hold on
Holding out for love
There's only one i'm dreaminng of
That's why i hold on
Holding out for love
But will that one heart wait for meI watch the time go by
I swear now baby i...
Have never been so sure in my heart
So close to my dreams
