In Defense of Humans

Fugazi

In defense of humans
Lay down your power trip
Stop toying with emotions and relationships
Cause you don't rise when people fallIn defense of humans
Lay down your politics
They're all big money and media tricks
Cause you don't rise when people fallI see you rot this world
I see you ride this world
I see you rape this world
On, off, on, off, on, off
And I don't like what I see
GreedIn defense of humans
Lay down your human pride
We're born into our bodies
No chance to decide
Cause you don't rise when people fallIn defense of humans
Lay down your sticks and stones
Weapons and violence are better off left alone
Cause you don't rise when people fallI see you rot this world
I see you ride this world
I see you rape this world
On, off, on, off, on, off
And I don't like what I see
GreedYou don't rise when people fall
