Industry

Jon McLaughlin

My debut is coming soon
You already know what I'm gonna do
You got my time on the dotted line
But you show up invited and before I sign
And someone say I'm not making mistakes
But please don't be fakeMy debut comes today
And my feelings have all run away
With the man that I am but understand

Hey, if I don't keep going it'll just go to show That I've been beat by an industry I've never seenThis is me on my knees

Singing take it all from me, take it all

Speak to my needs, my needs

Oh, and take it all, oh, just take it all, this is meSo the crowd gets quiet, I start to play

And I think they're buying what I got to say

But to my defiance the music fades

And we all sit silent and I crawl back inside

Because it wasn't supposed to go this badThis is me on my knees

Singing take it all from me, take it all

Speak to my needs, my needs

Oh, and take it all, oh, just take it all, this is meAnd when you grow silent I start to fall

And when you grow silent I start to fall

And when you grow silent I start to fall

When you grow silent I And when you grow silent I start to fall

And when you grow silent I start to fall

And when you grow silent I start to fall

And when you grow silent, when you grow silentThis is me on my knees

Singing take it all from me, take it all

Speak to my needs, my needs

And take it all, oh, just take it all This is me on my knees

Singing take it all from me, take it all

And speak to my needs, my needs

And take it all, yeah
