

I Need You

Dave Gahan

I need you
I need you
I need you
I need you I'm asking my friend, I need you again
Can you do something for me?
Time, it just passed and we had some laughs
Maybe it's just about greed You'll always need me much more
Than I need you
You'll always need me much more
I need you I'll ask you again but I don't think you've changed
You never did nothing for me
I wonder sometimes if you're looking down
On everything that you see
