You've Changed

Sia

Stealing hearts was your pastime
I saw girls falling hook line
You stole kisses and threw them aside
Hits and misses your love side
You've changed, oh, for the better, yeah
You've changed, oh, for the better, yeah
Making waves was your hobby, yeah
And I asked you to hold me
And I knew it you'd do it in front of the world
And I'll end up different from the other girls
You've changed, oh, for the better, yeah
You've changed, oh, for the better, yeah
You've changed for the better, oh
You've changed, oh, for the better
You've changed, oh, for the better, yeah
You've changed, oh, for the better, yeah
You've changed, oh, for the better, yeah
You've changed for the better, oh
You've changed, oh, for the better
