All Day

Connell Cruise

I'm turning off my cell phone
Calling in a no show
They don't even know
They don't even knowI'm spending all my time with you
I never get bored of you
If you wanna know the truth I'm in love with you, I'm in love with youI could do this all day, everyday
Never knew that I could feel this way
I'm singing OH OH OH OH
You got me going OH OH OH
I could do this always, all the time
Girl you light me up like the New York lights
I'm singing OH OH OH
You got me going OH OH OH
I met you on a Monday
I took you out on Tuesday
I kissed you on a Wednesday
And for the rest of the week I was weak at the knees - girl you own meI could do this all day, everyday
Never knew that I could feel this way
I'm singing OH OH OH
You got me going OH OH OH
I could do this always, all the time
Girl you light me up like the New York lights
I'm singing OH OH OH
You got me going OH OH OHTen to two - I love you
Two to four - I love you more
Four to six, we'll chill and Netflix
Then six to ten we'll do it again!
Ten to two - I love you
Two to four - I love you more
Four to six, we'll chill and Netflix
Then six to ten we'll do it again!I could do this all day, everyday
Never knew that I could feel this way
I'm singing OH OH OH
You got me going OH OH OH
I could do this always, all the time
Girl you light me up like the New York lights
I'm singing OH OH OH
You got me going OH OH OHI could do this all day, everyday
Never knew that I could feel this way

I'm singing OH OH OH
You got me going OH OH OH
I could do this always, all the time
Girl you light me up like the New York lights
I'm singing OH OH OH
You got me going OH OH OHTen to two - I love you
Two to four - I love you more
Four to six, we'll chill and Netflix
Then six to ten we'll do it again!Ten to two - I love you
Two to four - I love you more
Four to six, we'll chill and Netflix
Then six to ten we'll do it again! Do it again!
