Change

Kimberley Locke

Sorry for what I forgot to say
But you know how words get in the way, baby, lately
Wasn't strong enough to cut right through
All the red tape between me and you, baby, time escapes me
What's it gonna take to shake these blues?
Pushin' through the clouds just to get to you
Can't hold back the storm that's blowin' through, yeah
I feel the change, babe, washin' over me
I feel the rains, babe, comin' to set me free
It's a one way track, ain't comin' back
This train's about to leave, I feel a change comin' over me
Never noticed that it's kinda strange
Same story but a different day, lately, oh baby
Gotta get up, gotta change the scene
Gotta rip this page from the magazine
I feel the change, babe, washin' over me
I feel the rains, babe, comin' to set me free
It's a one way track, I ain't never comin' back
This train's about to leave, I feel the change comin' over me
Yeah, I ain't tryin' to be difficult no, no
I ain't tryin' to be mean
I just gotta do right now
What's best for me, oh
(I feel the change, babe)
Something's changing, baby, deep inside of me
(I feel the rains, babe)
I feel the rains falling down to set me free
It's a one way track, I ain't never goin' back
(This train's about to leave)
If you wanna go, baby, this train's gonna leave
(I feel the change)
There's a change comin' over me
Oh yeah, yeah, I feel a, I feel a
Change comin' over me
Rains forcing down on me
Coming to set me free, baby
I feel a change, yeah
I feel a change, yeah
A one way track, I ain't never coming back

This train's about to leave, baby
I feel a change, yeah
