Dance to This!

The Stereo

my shoes untied
and they are laughing
I understand but
why am I still pretending?
oooo my hands are tied
oooo is it true you lied?
oooo does it have to be
this way between us?
oh Jesus
I wanna dance
I want to hold hands
but I can't say the words
they go by much too fast
I tried to be your perfect guy
say no more
cross my heart and hope to die
kiss me goodnight and good-bye
