

# Nickelodeon

## Circus Contraption

Drop a nickle in  
Give me a whirl  
Turn my crank  
I'm your kind of girl  
You'll want to catch my number again and again  
I'm your Nickelodeon

peek beneath the curtain  
Get a surprise  
I'll sing you a lullaby to pull you inside  
Grab the brass ring  
I'll give you a thrill  
I'm your Nickelodeon

So c'mon big daddy, don't make me feel bad  
are you listening-- I'm ringing your bell!  
a Tabernacle choir in a four-alarm fire  
I know you wanna -- it's easy to tell!

so step right up and have no fear  
I'll whisper sweet nothings into your ear  
your nightly addiction, your forbidden sin  
I'm your Nickelodeon
