

Like What I Got

Mike Jones

I pull out the drop, get money on the block
Bustaz wanna hate 'cuz they like what I got
Like what I got, like what I got
Like what I got, like what I got I pull out the drop, get money on the block
Bustaz wanna hate 'cuz they like what I got
Like what I got, like what I got
Like what I got, like what I got I guess, they like the way I roll on the Phantom rolls on 24s
Or the candy slab with the top drop or maybe they see 4s pokin' out
If I'm the car, I'ma star, O G by the pound wit a brown a bar
Got X and weed, got wat you need, if you got the feed holla at ya, boi Hatas hate 'cuz I'm lookin' great, can't
get wat I got, so they tend to hate
I pull out from da parkin' lot, drop da top and show Texas plates
I said, Hatas hate 'cuz I'm lookin' great, can't get wat I got, so they tend
To hate, I pull out from da parkin' lot, drop da top and show Texas plates "H-town, that's wat I claim, 84s, that's
what I swang
I took a mill out my bank account and used dat for my panky rang
H-town, that's wat I claim, 84s, that's what I swang
I took a mill out my bank account and used dat for my panky rang I pull out the drop, get money on the block
Bustaz wanna hate 'cuz they like what I got
Like what I got, like what I got
Like what I got, like what I got I pull out the drop, get money on the block
Bustaz wanna hate 'cuz they like what I got
Like what I got, like what I got
Like what I got, like what I got I drink purple stuff in dat white cup, jewelry on, so I'm iced up
Shinin' harder than boulevard, I see why they don't like us
Candy cars, that's all I flip, my mo wheel grain that's all I grip
I roll a lounge as many cross it, so when I hit the strip, I don't even trip In da streets, switchin' lane to lane, in da
club, I'ma make it rain
Since 24 been da CEO, us ice age we runnin' thangs, I said
In da streets, switchin' lane to lane, in da club, I'ma make it rain
Since 24 been da CEO, us ice age we runnin' thangs I hauld the lane in my candy ride wit a pretty chick
On the passenga side, I pull out 745 wit a 45, 45
I hauld the lane in my candy ride wit a pretty chick
On the passenga side, I pull out 745 wit a 45, 45 I pull out the drop, get money on the block
Bustaz wanna hate 'cuz they like what I got
Like what I got, like what I got
Like what I got, like what I got I pull out the drop, get money on the block
Bustaz wanna hate 'cuz they like what I got
Like what I got, like what I got

Like what I got, like what I got
